

REPORT

Weedy Atkinson

Chairman

As Chairman of the Suncoast School Board, I am pleased to present the 2019-2020 Report to the community.

The Board has been fortunate to have a strong and dedicated team of members, including Vice-Chairman Lee Swift, and other members: Weedy Atkinson, David Burt, and David Galloway.

Over the past year, the Board has focused on ensuring the highest quality of education for all students, while also addressing the financial challenges facing the district.

Key accomplishments include the implementation of the new curriculum framework, the completion of the capital construction program, and the successful completion of the 2019-2020 budget process.

Looking ahead, the Board remains committed to providing a world-class education for all students, while also ensuring the long-term financial sustainability of the district.

I thank the community for their continued support and trust in the Suncoast School Board.
