Follow this guide to activate your CCPSID account and to log-in to ClassLink for the first time.

Go to the ClassLink log in page: classlink.yourcharlotteschools.net

Enter your CCPSID number: Staff - Found on the back of your ID badge (10 digits) Students Provided Choose a MFA method (Mobile, SMS, Image)

This uses an app that generates a One-Time passcode every 30 seconds

You will receive texts to your phone. This could incur cost depending on your phone plan.

Choose an image from a list of images

Choose at least one password recovery method to set up. (The more recovery options the better!)

Enter your number and a code will be texted to your phone for verification

Use a email address where the email can be delivered. This is used only for password recovery.

Answer any of the predefined questions or create your own. Just know that if you ever have to use this method, the answers must match exactly.
