Dear Parents and Guardians,

Stay continuously informed of your child's school data including class schedules, course grades, assignments, assessments, state test scores, attendance and behavior. CCPS

EDIS Family Portal - Quick navigation guide

The House section- This is first section seen upon entering into a child's profile. School data alerts capture both positive areas and concerns for parents, teachers, and school administrators should. The child's schedule for the day is also listed here.

Academics- GPA, Schedule, Course Grades, Assignments, Test Scores, and more are stored within this section.

Note- When retrieving progress monitoring information-

❖ *I-Ready results (Grades K- 8 English Language Arts and Math) are located in* **Test Scores**.
❖ *USA TEST PREP results (Grades 7- 12 Civics, Algebra I, Geometry, Grades 3-5 and 8 Science, Biology, US History, & Grade 9 and 10 English) are located in* **Test Scores**.
❖ *Results from District Assessments that all students at specific grade levels take, such as Writing, are located in* **Custom Assessments**.

Attendance- A child's school attendance often is a predictor of academic success. This section shows attendance totals from previous school years as well as a more detailed view of the current school year.

> **_Note-_** *Hover overs are built-in to show more detail of why a child was missing educational time in the current year section. A child can be present for the day, however segments of time, such as a school activity, are reflected.*

Behavior- A child's behavior incidents may hinder a student from learning. This section shows behavior totals from previous school years as well as a more detailed view of the current school year.

> **_Note_**- *More details of the disciplinary reasons and actions may be reviewed in the current year section only.*
